

Badminton Games Resume Tonight at Civic Auditorium; Tourney Series Looms

PLAY FREE TO EVERYONE

Table-Tennis Equipment Will Be Available

First signs of the Torrance Athletic Club's revival appeared this week when badminton enthusiasts, men and women, indicated that they desired to maintain this shuttlecock sport even if the A. C. has folded and been laid away with "things that might have been." As result of the badminton players' interest, the games will be thrown open to the public tonight at the Civic Auditorium, starting at 7 o'clock.

Four complete courts will be available and if there is a demand, the regulation table-tennis set will be unearthed and set up. Sixteen badminton players may bat the deceptive shuttlecock to their hearts' content at one time and the table-tennis (erroneously known as "ping-pong") board will accommodate four more.

It was Mary Haig of the photographing Haigs and Dale Riley of the recreation Rileys who took the lead this week in reviving badminton. Aided and abetted by Bob Lewellen, late president of the defunct A. C., they prevailed upon the city officials for the use of the auditorium tonight. They declared, rather hopefully, that scores of Torrance folk want their badminton and want it weekly.

Plan Games Tuesdays After this evening's swat-and-miss engagement, the players will assemble at the auditorium every Tuesday night, always with the idea of starting in the very near future a city-wide tournament. Out of this series, there is a chance that a Torrance team may be found for inter-city contests.

The challenges of Los Angeles, Pasadena, Long Beach and other cities for shuttlecock games are long standing and they may be brought out and dusted off for some tournament games before the year is much older.

At any rate, Miss Haig and Riley extend a cordial invitation to all former A. C. members and others who want to play to come out tonight and grab a racket. There is about \$100 worth of badminton and table tennis equipment that is waiting for service. And it won't cost a dime for some lively sport.

Bowlers Continue Series Tonight

Union Iccemen Hold Lead in Industrial League

When one or more of the other seven teams in the Industrial bowling league starts knocking over the Union Iccemen at the Monticello alleys that will be news. But until that unexpected performance is staged bowling fans will continue to see the Iccemen lead the series, followed as usual by the Fenwick Shoeners, Westinghouse Refrigerators, National Supply and Stephens Cafe in that order.

Such was the case as result of last Thursday night's games. Down in the lower bracket now is Soule Steel, Acme Beer and the Torrance Plumbers. But tonight is another industrial night at the Monticello alleys and the teams are scheduled for another go at the shuddering pins. The series standing follows:

Team	Won	Lost
Union Ice	43	25
Fenwick Shoe	41	37
Westinghouse	39	29
Nat'l Supply	37	31
Stephens Cafe	34	34
Soule Steel	31	37
Acme Beer	28	40
Torrance Plumbing	19	49

Last week the Iccemen dropped a game to the Stephens five, 254 to 227, L. Pesce of the winners bowling a 568. The National Supply men defeated the Torrance Plumbers, 237 to 228. S. Landreth of the winners being high with 575. Westinghouse tipped the Acme Beers, 257 to 231. R. Sleppy of the Refrigerator crew getting 548. The Soule Steelmen nosed out the Fenwick Shoemen, 247 to 246. D. Bolander of the Steel five scoring 557.

Legion Post Staging Free Rassling Show Friday

All residents of Torrance and vicinity, including women sports fans, are cordially invited to attend Bert S. Crossland Post's free wrestling exhibition, carded for 8 o'clock Friday night at the Legion clubhouse. There will be a couple of high-class matches between L.A.A.C. and Inglewood A. C. grapplers, topped off with a "surprise show" after the mat events.

Torrance High May Win League Baseball Title This Year

According to Coach Bernie Donahue, the Torrance Tartars have a fine chance of coping the Marine league baseball title this year, for the first time in years; although the local school has been runner-up for the cup the past three years. According to the early season "dope," Jordan (Watts), Narbonne and Gardena will give the local nine a fight for the title. Donahue has a veteran team, although his weakest position is pitching, but he is fast developing a few boys who may be able to take the mound in good fashion. At the present time, Maupin, Richardson, McGahan and Winkler are losing the horsehide for the team, with the former Oklahoma boy, Maupin, taking the honors.

Torrance lost to Washington high last week in the first practise game of the year. Former Torrance Athlete in South Sea Islands Phillip Jensen, former star football player for the Tartars, and an outstanding scholar, did not forget Sport Shots, but sent him a Christmas greeting from Auckland, New Zealand, which was just received a few days ago. Phillip passed the California Nautical examination a few months ago with high honors, and is now taking his sailing course in the South Seas and vicinity. Phillip's ambition is to enter Annapolis in the near future.

Shorts of Interest . . . We Hope!! The Long Beach Relay Carnival will be held early in March, the first big meet of the 1937 track and field season. With several Olympic champions, entered in the annual Relays, the City of Long Beach expects to make this year's carnival the greatest of all previous attempts. Fans may see Cunningham and Gene Venzke in a match mile, providing the present schedule is fulfilled. . . . Louis Zamperini, local distance runner, who was injured a few weeks ago while skiing, is again walking normally and may be seen in action in another month. . . . During the rainy weather of last week-end, we read Jim Tully's latest book, "The Bruiser"—and what a book! Tully, as you know, was plenty good with his mitts in the "old days" and now writes about his former profession, boxing. If you are interested in reading "The Bruiser," you may obtain the book at the Torrance News Agency. . . . Tomorrow nite the American Legion Post of Torrance will put on a show for the townspeople; which will include two wrestling bouts of high caliber, and a surprise show. Admission is free, and ladies are invited to attend. Show begins at 8 p. m.; Legion Hall. The former war buddies are celebrating the completion of redecorating their hall.

Did You Know That? . . . Miss Clementina de Forest Griffin, principal of Narbonne high school, Lomita, was a great athlete while attending Los Angeles high, and Vassar college. While Miss Griffin was prepping at L. A. high she won state honors in basketball, hockey and indoor baseball; after graduating from high school she attended Vassar college, winning many honors in hockey and basketball for the school and herself. Miss Griffin is one of Narbonne's greatest athletic backers, and attends every game "her boys" are competing in.

Those trying out are Bill Baker, Driscoll Truitt, Wayne Cox, Wade Sharman and Bob Billaud. Cox and Billaud have shown the most improvement, and are likely to oust Truitt and Sharman from the first doubles combination.

Although the tennis season does not start until track season in several weeks, the boys are already playing in practice meets. In a recent match with Redondo they were outclassed but managed to get a lot of experience.

Narbonne Club Has Bat Trouble

Coach Sloss Has Good Turn-out At Lomita

The Narbonne Gauchos will swing into league baseball Feb. 19 against the Tartars on the Torrance field. Until then, many changes will take place in the Lomita line-up, with everyone getting to show his ability. Batting seems to be the main trouble with the Gauchos; although the boys are said to be getting better each day and should prove stiff opponents for any team.

They are being coached by Wayne Sloss who tested his club against Redondo last week and emerged with a 3-3 tie. Friday afternoon the Gauchos meet Loyola high in a practice game on Griffin field.

With a great number of players turning out every night, chances for a championship look bright. The boys showed some power in defeating the alumni team recently by the score of 9 to 1. On the alumni line were such men as Jerry Angelich and Pat Malone, who are now playing for semipro teams.

Returning varsity lettermen are Johnny Angelich, Ed Glover and Dorris (Jiggs) Cheek, pitchers and infielders; Eugene Sullivan, shortstop; Billy Leddie, Claude Kinnison, outfielders. Players who have stepped up from the junior varsity are Ambrose Palica, pitcher; Dick Rider, Bob Wolverton, Lee Angelich, infielders; Tommy Kinnison, catcher; Yomo Hirata, Jack Lehman, Dick Rowin and Charles Wellchell, outfielders. Others trying out for a berth on the team are Paul Whitacre, outfielder; Tony Alonge, Hank Heguchi and Jacob Hofstede, infielders.

NEW TRACK GARB Complete equipment for 20 trackmen has been received at Narbonne high school, according to Coach Ben Comrada.

Junior Baseball Starts Saturday

All boys from nine years up who want to play baseball this season should be at the city ball park at 9:30 o'clock Saturday morning, Feb. 13. They should bring their gloves and be ready to start playing under the direction of the Recreation department.

There will be two league, one for boys from nine to 12, and the other for 12 and older. Balls and bats will be furnished. Boys who would like to practice may come to the ball park any afternoon or all day Saturday.

Lomita Club Plays Pac. Clay Sunday

Rained out last Sunday, the Lomita Merchants will play the postponed game with the Pacific Clay Products club next Sunday afternoon, starting at 2 o'clock, at the city park diamond. Manager Walt Morris, who has been ill for the past week, said today that the game will be well worth the attention of local ball fans.

Complete equipment for 20 trackmen has been received at Narbonne high school, according to Coach Ben Comrada.

Big Races Will Be Broadcast

Santa Anita Derby, Feb. 22, First to Go On the Air

Both the \$50,000 added Santa Anita Derby on Monday, Feb. 22, and the \$100,000 added Santa Anita Handicap on Saturday, Feb. 27, are going to be broadcast over the air on the three transcontinental hookups.

The Los Angeles Turf Club turned down a \$10,000 commercial offer, to invite all three broadcasting companies to have the privilege free of charge in order that the sport-loving public unable to attend the running of the world's richest stakes will have an opportunity to receive a direct report. Also, it will serve as a valuable publicity and advertising medium for Southern California's winter tourist season.

The time of the running of both the Santa Anita Derby and the Santa Anita Handicap will be some time between 4:10 p. m. and 4:20 p. m. as nearly as the Los Angeles Turf Club is able to determine at this time. All three broadcasts are being planned to start at 4 p. m. and run until 4:30 p. m. so that all preliminary and after-the-races information will be carried.

DONAHUE OPTIMISTIC ABOUT CHANCES IN BIGGER LEAGUE

With weather more to their liking, Coach Bernie Donahue's varsity baseball team unlimbered in great style this week. Donahue is in an optimistic mood about his club despite the fact that it is facing the heaviest schedule in history beginning Friday, Feb. 19, when Narbonne is the Tartars' first opponent.

Marine Schedule

With Banning, Rils and Jordan added to the Marine League for the duration of the season, the 1937 high school baseball schedule was announced this week. All games will begin at 3:15 o'clock and will be seven-inning encounters. The schedule follows:

Friday, Feb. 19—Narbonne at TORRANCE, San Pedro at Gardena, Rils at Leuzinger, Banning at Jordan, El Segundo bye.

Friday, Feb. 26—TORRANCE at San Pedro, El Segundo at Banning, Jordan at Rils, Leuzinger at Narbonne, Gardena bye.

Friday, Mar. 5—Gardena at TORRANCE, San Pedro at Leuzinger, Narbonne at Jordan, Rils at El Segundo, Banning bye.

Friday, Mar. 12—Banning at Rils, El Segundo at Narbonne, Jordan at San Pedro, Leuzinger at Gardena, TORRANCE bye.

Friday, Mar. 19—TORRANCE at Leuzinger, Gardena at Jordan, San Pedro at El Segundo, Narbonne at Banning, Rils bye.

Friday, Apr. 2—Jordan at TORRANCE, Rils at Narbonne, Banning at San Pedro, Leuzinger bye.

Tuesday, Apr. 6—TORRANCE at El Segundo, Leuzinger at Jordan, Gardena at Banning, (Continued on Page 6-B)

With only two practice sessions, the Torrance nine took on the formidable Washington high team last Friday afternoon and held the Generals to a 7 to 3 win. Donahue used Merle Richardson, Glenn Maupin, and Elmer McGahan in the pitching box to get a line on his wingmen. Catching were Ralph Gilbert and Al Winkler, both of whom showed they are potentially good backstops.

First Casualty Robert Trezise turned in some good bat work, getting a triple and a single. First casualty of the ball season was Kenneth Hull, who was struck on the head by a pitched ball. He was taken to Jared Sidney Torrance Memorial hospital for x-rays Tuesday. These showed a concussion but no fracture. Kenneth has been confined to his home under care of his mother, Mrs. Katherine Hull, a trained nurse. This week and is now reported improving fast. He is expected to return to school Monday.

Two more practice games are carded before the enlarged Marine League (Banning, Rils and Jordan added) season begins a week from tomorrow. Coach Donahue is taking his club to Longwood this afternoon, and tomorrow will play a return practice with Washington here. "I'm looking for a good season," the coach said this week.

ing to Coach Ben Comrada. The suits, including warm-up pants, are green with gold stripes, the school colors.

THE 25-MILLIONTH

FORD HAS JUST BEEN BUILT

It HAS never occurred before in automobile history that 25 million cars of one make, bearing one name, have been manufactured under one management. The 25,000,000th Ford car rolled off the Ford Rouge Plant production line on January 18, 1937.

25 million cars since 1903 . . . more than one-third of all the cars ever built . . . enough cars to transport the entire population of the United States.

The figures represent a remarkable contribution to the social welfare, the industrial stability and the general progress of our country.

People respect Ford efficiency. They know Ford uses fine materials, the best workmanship at good wages, the most exact precision measurements. They know these things are passed along to purchasers in the form of extra value. Naturally, they like to do business with such a company. That is the only reason it has been required to produce 25 million cars.

Naturally, too, they expect more of a Ford car, more this year than last year—more

each year than the year before. They have every right to. The experience gained in building 25,000,000 cars enables Ford to produce today a really superb motor car at a really low price—with the Beauty, Comfort, Safety and Performance of much more expensive cars.

The 1937 Ford V-8 combines advanced design, all-steel construction, extra body room, and brilliant brakes with a choice of two V-type 8-cylinder engines—the most modern type of power-plant on land, sea, or in the air.

The 85-horsepower engine provides top performance with unusually good economy for its high power.

The 60-horsepower engine gives good performance with the greatest gasoline mileage ever built into a Ford car—and wears the lowest Ford price tag in years.

People expect more of a Ford car because it's a Ford—and they get more, for the same reason. It is undeniably the quality car in the low-price field.
